As a passionate and aspiring Full Stack Developer, I am eager to embark on a challenging internship that will provide hands-on experience in building end-to-end web applications. Currently pursuing Software engineering degree, I bring a strong foundation in both frontend and backend technologies, coupled with a genuine enthusiasm for solving complex problems.

## **Education & Qualification:**

- |                   |   |
|-------------------|---|
| <b>2020- 2024</b> | <b>ESoft Metro Campus   Colombo  </b><br>Bachelor of Information Technology (Hons) Spec in software engineering   |
| <b>2017-2019</b>  | <b>Kilinochchi Central college</b>   Instructor   Chemistry and Physics   |
| <b>2015-2017</b>  | <b>Kilinochchi Central college Level</b>   Biology, Physics and Chemistry  <br>2B C for Biology   |
| <b>2014-2015</b>  | <b>Katpaka Vinayaka computer centre   Kilinochchi</b><br>Diploma in Information Technology: Grade A   MS Word,<br>MS Excel, MS Power point, MS Access, E mail & Internet and Hardware |
| <b>2002-2013</b>  | <b>Kilinochchi Central college</b><br>Ordinary Level: 09 subjects A-D, including Maths & English  |

## **Work experience:**

- June 2014 – Nov 2014: Instructor | Katpaka Vinayaka computer centre** Microsoft office | (MS Word, MS Excel, Ms Power Point, MS Access) | Internet | Email and hardware
- Sep 2017- June 2019: Instructor | KN/Kilinochchi Central college | Physics | Chemistry |**
- June 2024 – Present: Instructor and self-learner** | Teaching full stack web development | Mern Stack technologies | Angular with .Net | GitHub | Databases (MS SQL Server and MongoDB) | Postman

## **EXTRA CURRICULAR ACTIVITIES**

### **Inter-School athletic meet – 2011**

- 1st runner up and 2nd runner up respectively in 100m and 400m in 2011.
- Champion in chess and badminton

## **Individual Projects**

**June 2023 – Dec 2023: Library Management System | full stack web application|** Authorization Module | Student Panel | Admin Panel | Authentication System | Manage Books and Categories | Fine Calculation | Admin Dashboard & Management System (Angular 17, Angular Material, .Net 8, JWT Authorization, Google SMTP Server, Entity Framework Core Asp.net core web API, MS SQL Server)

**May 2024 – June 2024: E-commerce Web Application| full stack web application|** Handling errors | Product search & filter | User Order, review and profile | Pagination | cart & Stripe payment integration | Admin Dashboard & Management System (React.js, Redux, Bootstrap, Node.js, express.js, MongoDB, Postman)

**Jun 2024 – Aug 2024: Modern Real Estate Marketplace | full stack web application|** User Authentication | Handling errors | Google QAuth functionality | Show & Crud user listing functionality | Search functionality | User Profile (React.js, Redux, Tailwind CSS, Node.js, express.js, MongoDB, Postman)

**Jun 2024 – Aug 2024: Blog App with Dashboard| full stack web application|** Handling errors | User Authentication | post page functionality | Add like & Crud functionality to the comment component | search page & upload post image | Admin Dashboard & Management System (React.js, Redux, Tailwind CSS, Node.js, express.js, MongoDB, Postman)

**May 2024 – June 2024: Shopping Web Application| full stack web application|** Handling errors | Product search, filter & Crud | User Order, review and profile | Pagination | cart & Stripe payment integration | Admin Dashboard & Management System (React.js, (React.js, Redux, Tailwind CSS, Node.js, express.js, MongoDB, Postman)

**Aug 2024 – Present: Hotel Booking App| full stack web application|** booking feature automated test | stripe setup and booking feature |Handling errors | search page & pagination feature | hotel details page automated test | hotel details page feature | view my hotels automated test | sorting and filtering feature (React.js, Typescript, JavaScript, Redux, Tailwind CSS, Node.js, express.js, MongoDB, Postman)

**Aug 2024 – Present: Food Ordering App| full stack web application|** Manage restaurant | Order Item card update status | User Authentication | Search filter | Pagination | cart & Stripe payment integration | Handling errors | Order status polling (React.js, Typescript, JavaScript, Redux, Tailwind CSS, Node.js, express.js, MongoDB, Postman)

**Interests:** Interests vary from playing chess to reading books. Besides, singing and listening to music and tutoring the students for advanced level in my free time. Also, I enjoy watching cricket and playing cricket.

**Languages:** English, Sinhalese & Tamil
